### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the prior art fails to teach or fairly suggest the claimed invention. The prior art fails to teach a golf tee apparatus including the T-shaped configuration as recited and the darkened perpendicular line extending between the aperture and the cross member of the T-shaped plate. The reference to Lynch provides a darkened line perpendicular to a cross member, however, the line extends from the plate as an extension that would prevent the golfer from aligning the club face as instantly recited. Further, the line does not extend between the aperture and the cross member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven Wong whose telephone number is 703-308-3135. The examiner can normally be reached on Monday through Friday 7am-3:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tom Hughes can be reached on 703-308-1806. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
